

THE DANIEL BERLIN EXPERIENCE AT KÅSEHOLM 2024

EXCLUSIVE WEDDINGS

Together with Daniel Berlin, we offer an exclusive wedding experience where we explore the wild flavors of the season, with specially selected wine pairings in unique settings within Kåseholm's historic landscape and assemblage of barns.

THE DANIEL BERLIN SHARING MENU: A SOCIAL EXPERIENCE

The Sharing Menu is designed to share experiences around the table. We think this creates a more fun and social meal. With the Sharing Menu, we often notice more conversations and discussions around the tables, where guests open up and get to know each other faster, which is always a wonderful thing at a celebration.

We usually design the platter presentation to be shared between 4 people - the food is laid out so that there are 4 portions on each platter and the guests serve themselves their portion. In some cases, usually at dessert, a dish is served individually as there may be ice cream or sorbet, which quickly melts. When we serve, we can describe food & drink at each table, if desired.

EXAMPLE SUMMER MENU:

Ruminous rum in radish and cucumber, dill emulsion and crispy rye bread in sour mustard
Summer tomato with raw cut beef, hard-boiled cheese, parsley and elderberry vinegar
Lightly baked smoked cod in herb-marinaded cauliflower, chanterelle and chives
Veal back grilled in black trumpet mushrooms, beetroot, black currants and veal sky flavored with top murmur
Yogurt ice cream in marinated summer berries, almond cream and salt meringue
